4. Kath Zagatti – Wealth Management Rising Star under 40
5. Célia Titouni – Wealth Management Rising Star under 30

The Wealth briefing awards recognize 'best of breed' companies, teams and individuals in the global private banking, wealth management and trusted advisor communities.

Yann Mrazek, Managing Partner, M/HQ commented:

"We are delighted to have been voted for a record fifth time the winner of this prestigious award, and for members of our team to be individually praised by the judging panel. Over the last 12 months, the team has put a lot of passion and hard work in introducing clients and the market to the legacy planning tools – such as foundations – newly available domestically. And the response has been phenomenal.

With substantial wealth about to pass from one generation to the other regionally, M/ HQ is uniquely positioned to help entrepreneurial families navigate these offerings, educate them about their key features and benefits, and reach their objectives. The Middle East intergenerational legacy planning (r)evolution is in full swing!"
